

NH State Referee Committee

In-Person Course Information

Below is some information to help prepare you for the New Grassroots Referee In-Person Course.

- In order to participate in the NH New Grassroots Referee In-Person Course, all participants must complete and sign the NH SRC Waiver Form. Participants under the age of 18 will need to have a parent/guardian sign the form. Please bring the printed, completed and signed form to the course and turn in at check-in.
- Please arrive promptly at the indicated start time. If you are under aged 18, please bring a parent or guardian with you for the first 30 minutes.
- Prepare to be active both in the classroom and the field.
- Please bring water to stay hydrated throughout the course. For single day courses, there will be brief break (under 30 minutes) for lunch, so please bring something to eat. You will not have time to go out and get something.
- Have appropriate footwear for the field session. Sneakers are preferred for the field session and are required for all indoor field sessions. If your field session is known to be outdoors, you may wear turf shoes.
- Please bring water and stay hydrated throughout the course.
- If your field session is outside, especially in the summer, consider sunscreen and/or bug spray.
- Do not worry if you have not completed all the online components before the In-Person course. You can complete them after the In-Person course, but will not be licensed until all requirements are met.
